WANT TO SAVE MONEY? PDFCU CAN HELP

Use the space below to make note of your current debts, interest rates and monthly payments. You can usually find this information on your monthly statement from your financial institution. Then, bring this card in and let us do an “apples to apples” comparison and show you just how much you could be saving! **If you want to be one of the 8% who succeed in achieving your New Year’s Resolution this year, we want to help make that possible.**
