2023 Board of Directors Elections Notice

Here are the backgrounds of our Nominees:

DAVID SHINAULT

I am so humbled and fortunate to have been serving on the Pee Dee Federal Credit Union Supervisory Committee for the past two years. I am now the Chairman of the Supervisory Committee and look forward to doing everything I can to support our Board, CEO, employees and members.

I am blessed to have a beautiful and caring wife for the past 40 plus years. We also have two beautiful daughters, great son-in-laws, and six unbelievable grandchildren! I am a Branch Manager with oversight of two locations that are a part of the largest Freightliner dealership group in the US. My team and I manage around 100 employees and produce about 75 million dollars a year in sales.

I am also very community minded and serve in various ways to help make Florence a better place to work and live. I have served in various ministries for over 30 years helping churches and other non-profits in many parts of the country and at home.

I would be honored to be elected on the Board this year so I can make an even larger impact on our credit union's technology, customer service, employee retention, growth, and visibility in the Florence community.

DEANNA MICHELLE BREWER

After graduating and being an active class member, I am now a member of Wilson High School's Alumni committee where we help to provide and serve for the students and community at Wilson High.

Within my personal life I am married and have one daughter who currently attends Francis Marion and is in the nursing program.

Currently, I am an employee at Mcleod for Dr. Jeter Skinner where I am a PSC (patient service coordinator) and have been working there for 33 years. My hobbies include dancing, traveling, and spending time with my wonderful family.

Three words that describe me are hardworking, determined, and reliable. I enjoy serving and supporting my community and attending social events to help better understand the new changes that are happening in Florence. Another great quality about me is that I am very social and that I enjoy meeting new people and making new lifelong relationships and friendships. Overall, with these great redeeming qualities, I believe that I am the perfect candidate for the Pee Dee Federal Credit Union Board.
