

Message from the CEO

In the last few months, we have all faced a period of uncertainty unlike any experienced in our lifetimes. COVID-19 has shown us just how vulnerable we really are. In order to protect our health and ensure the well-being of those around us, we have all been forced to abruptly change our routines and adjust to new ways of communicating, shopping, working and just living.

At Pee Dee Federal Credit Union, we understand the importance of ensuring that our members have safe and reliable access to their money, along with the financial support needed during a crisis.

Please know that with the rise of COVID-19 numbers in South Carolina, we are monitoring the situation closely. Thank you for your patience.

Annual Meeting UPDATE!
