INACTIVE OR DORMANT ACCOUNTS

Do you have an account that you have not used in a while? If so, it could become an inactive account.

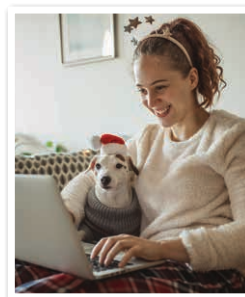

We will be reviewing inactive accounts in April. Accounts with no activity for 365 days (12 months) are considered inactive and will be charged a \$10 inactive fee. If the account has had no activity for 5 years or more, SC Abandoned Property Act requires all financial institutions to turn over the funds in the account to the state.

Make a transaction today! Transfers or transactions can be done through MoneyLine 24 by calling 843.669.9099 or online at www.pdfcu.org. If you need assistance, call us at 843.669.0461.

Notice: Year End Statements

Your year-end statements contain valuable tax information such as total interest paid on loans and dividends you have earned on each account. If your accounts earned over \$10.00 in dividends you will receive a 1099INT. If you have a mortgage with the credit union and paid over \$600.00 in interest, you will receive a 1098 Form. Remember, if you have an IRA Account with us, your year-end balance will be reported to the IRS as your Fair Market Value.

Year-end statements can be accessed through your online banking account. If you haven't signed up yet, sign up today at www.pdfcu.org.
